## How to Make Money With Karatbars?

Karatbars International offers gold in grams instead of ounces (1, 2.5, and 5 grams). This makes it affordable to a large number of investors all over the world. Karatbars are embedded in credit sized cards that protect them and serve as a certificate of authenticity.

You can open your account with Karatbars for free and exchange your dollars for gold on a regular basis. When you create an account with Karatbars, you are given an option to be an affiliate or a customer. If you plan to buy Karatbars for buying gold only, you should select to be a customer. However, if you are interested in earning income and extra rewards from Karatbars affiliate program, you should choose to be an affiliate.

Affiliates are not required to sell or buy gold to become eligible for the commission. All they have to do is encourage other buyers to buy Karatbars. Karatbars affiliate programs are binary-like pay plan that pays unlimited levels down and is based on units / cycles. There are two types of Karatbars affiliate programs offered by the company.

- Unilevel Affiliate Program
- Dual Team Affiliate program

**Unilevel affiliate program** is offered for free. The amount you earn from this affiliate program depends on your personal referrals and their referrals. You are paid monthly for the referrals you make during a specific month.

**Dual team affiliate program** offers greater incentive and affiliate tools to the members. The affiliate marketing tools are designed to help affiliates introduce the product to others and qualify for the dual team commission. The size of payout you receive depends on the affiliate package that you purchase.

You can purchase from Silver, Gold, or VIP packages. Among the ways to earn with Karatbars affiliation program include:

1. Direct Commission
2. Fast Start Bonus
3. Karatbars Gold Funds
4. Karatbars Pool
5. Generation Bonus
6. Unilevel Bonus
7. Package Bonus

Affiliates can receive gold, cash, trips, cars and even a villa for helping others buy Karatbars. The amount you earn each cycle depends on the type of affiliate package that you select. Some Karatbars cycles 10 times per day and make \$100 per cycle.

In short, Karatbars allow investors to secure their savings in the form of investing in small gold bars. Apart from that, Karatbars shines in the sense that investors can earn additional income through the affiliate programs. This has given rise to a whole new industry where independent affiliates assist customers in purchasing gold in the form of Karatbars.
